### 1. Read the text and answer the questions:

*""Last summer, Daniel and his cousin Laura travelled to England for the first time. They flew from Madrid to London and stayed in a small hotel near Hyde Park. Every morning, they had breakfast at the hotel and then took the underground to visit different parts of the city. They went to the British Museum, Buckingham Palace and the Tower of London. Daniel was very excited because he had always wanted to see the Changing of the Guard.*

*In the afternoons, they walked around the streets, went shopping in Oxford Street and sometimes sat in cafés to try typical English food. One day they went on a boat trip along the River Thames and took many photos of the London Eye and Big Ben.*

*The weather was typical English weather: sunny in the morning, but rainy in the afternoon. Luckily, they had umbrellas and continued their visits without problems.*

*They stayed for a week, and on the last day they took a train to Cambridge, a famous university town.
