

# Golden – HUNTR/X

## Verse 1

I was a ghost, I was alone  
In the darkness, a pressured path  
Given the throne, I didn't know how to believe  
I was the queen that I'm meant to be

I lived two lives, tried to play both sides  
But I couldn't find my own place  
Called a problem child 'cause I got too wild  
But now that's how I'm getting paid, endlessly on stage

## Pre-Chorus

I'm done hidin', now I'm shinin'  
Like I'm born to be  
We dreamin' hard, we came so far  
Now I believe

## Chorus

We're goin' up, up, up  
It's our moment  
You know together we're glowin'  
Gonna be, gonna be golden

Oh, up, up, up  
With our voices  
Unbreakable forever  
Gonna be, gonna be golden

## **Chorus**

We're goin' up, up, up  
It's our moment  
You know together we're glowin'  
Gonna be, gonna be golden

Oh, up, up, up  
With our voices  
Unbreakable forever  
Gonna be, gonna be golden

## **Post-Chorus**

Oh, I'm done hidin', now I'm shinin'  
Like I'm born to be  
Oh, our time, no fears, no lies  
That's who we're born to be

## **Bridge**

Waited so long to break these walls down  
To wake up and feel like me  
Put these patterns all in the past now  
And finally live like the girl they all see

No more hiding, I'll be shining  
Like I'm born to be  
'Cause we are hunters, voices strong  
And I know I believe

## **Chorus (Reprise)**

We're goin' up, up, up  
It's our moment  
You know together we're glowing  
Gonna be, gonna be golden

Oh, up, up, up  
With our voices  
Unbreakable forever  
Gonna be, gonna be golden

## **Post-Chorus (Reprise)**

Oh, I'm done hidin', now I'm shinin'  
Like I'm born to be  
Oh, our time, no fears, no lies  
That's who we're born to be

## **Outro**

You know we're gonna be, gonna be golden  
We're gonna be, gonna be  
Born to be, born to be glowin'  
We are shining brightly  
You know that it's our time, no fears, no lies  
That's who we're born to be

# Takedown – HUNTR/X

## Intro

Takedown, takedown  
Takedown, down, down, down (HUNTR/X girls to the world)  
Takedown, takedown  
Takedown, down, down, down (It's a takedown)

## Verse 1

So sweet, so easy on the eyes, but hideous on the inside  
Whole life spreading lies, but you can't hide, baby, nice try  
I'm 'bout to switch up these vibes, I finally opened my eyes  
It's time to kick you straight back into the night

## Refrain

'Cause I see your real face and it's ugly as sin  
Time to put you in your place 'cause you're rotten within  
When your patterns start to show  
It makes the hatred wanna grow outta my veins

## Pre-Chorus

I don't think you're ready for the takedown  
Break you into pieces in a world of pain 'cause you're all the same  
Yeah, it's a takedown  
A demon with no feelings, don't deserve to live, it's so obvious

## **Chorus**

I'ma gear up and take you down  
Woah-oh, da-da-da, down  
It's a takedown  
Woah-oh, da-da-da, down  
I'ma take it down  
Woah-oh, da-da-da, down  
It's a takedown  
Woah-oh, da-da-da, down (Take it down)

## **Verse 2**

It's a takedown, I'ma take you out, you break down like,  
"What?"  
It's a takedown, I'ma take you out and I ain't gonna stop  
Lose my mind, I'm gonna stomp the floor and grind  
You'll be beggin' and cryin', all of you dyin', never miss my  
shot

## **Refrain**

When your patterns start to show  
It makes the hatred wanna grow out of my veins

## **Pre-Chorus**

I don't think you're ready for the takedown  
I step boldly into the darkness and destroy everything  
Yeah, it's a takedown  
A demon with no feelings, don't deserve to live, it's so  
obvious

## **Chorus**

I'ma gear up and take you down  
Woah-oh, da-da-da, down  
It's a takedown  
Woah-oh, da-da-da, down  
I'ma take it down (Watch me do it, yeah)  
Woah-oh, da-da-da, down  
It's a takedown (Ooh)  
Woah-oh, da-da-da, down (Ooh)

## **Bridge**

Oh, you're the master of illusion  
Don't try to fool me  
Look at all the masses that you're foolin'  
But they'll turn on you soon, so how?

How can you sleep or live with yourself?  
A broken soul trapped in the nastiest shell  
Take the life of your soulless body and watch you die  
You can try but you can't hide

## **Verse 3**

It's a takedown, I'ma take you out, you break down like,  
"What?"  
It's a takedown, I'ma take you out and I ain't gonna stop  
I'ma cut you open, lose control, then rip out your heart  
You'll be beggin' and cryin', all of you dyin'

## **Chorus (final)**

I'ma gear up and take you down

Woah-oh, da-da-da, down (La-la-la)

It's a takedown

Woah-oh, da-da-da, down (Yeah-yeah, yeah-yeah, yeah)

I'ma take it down

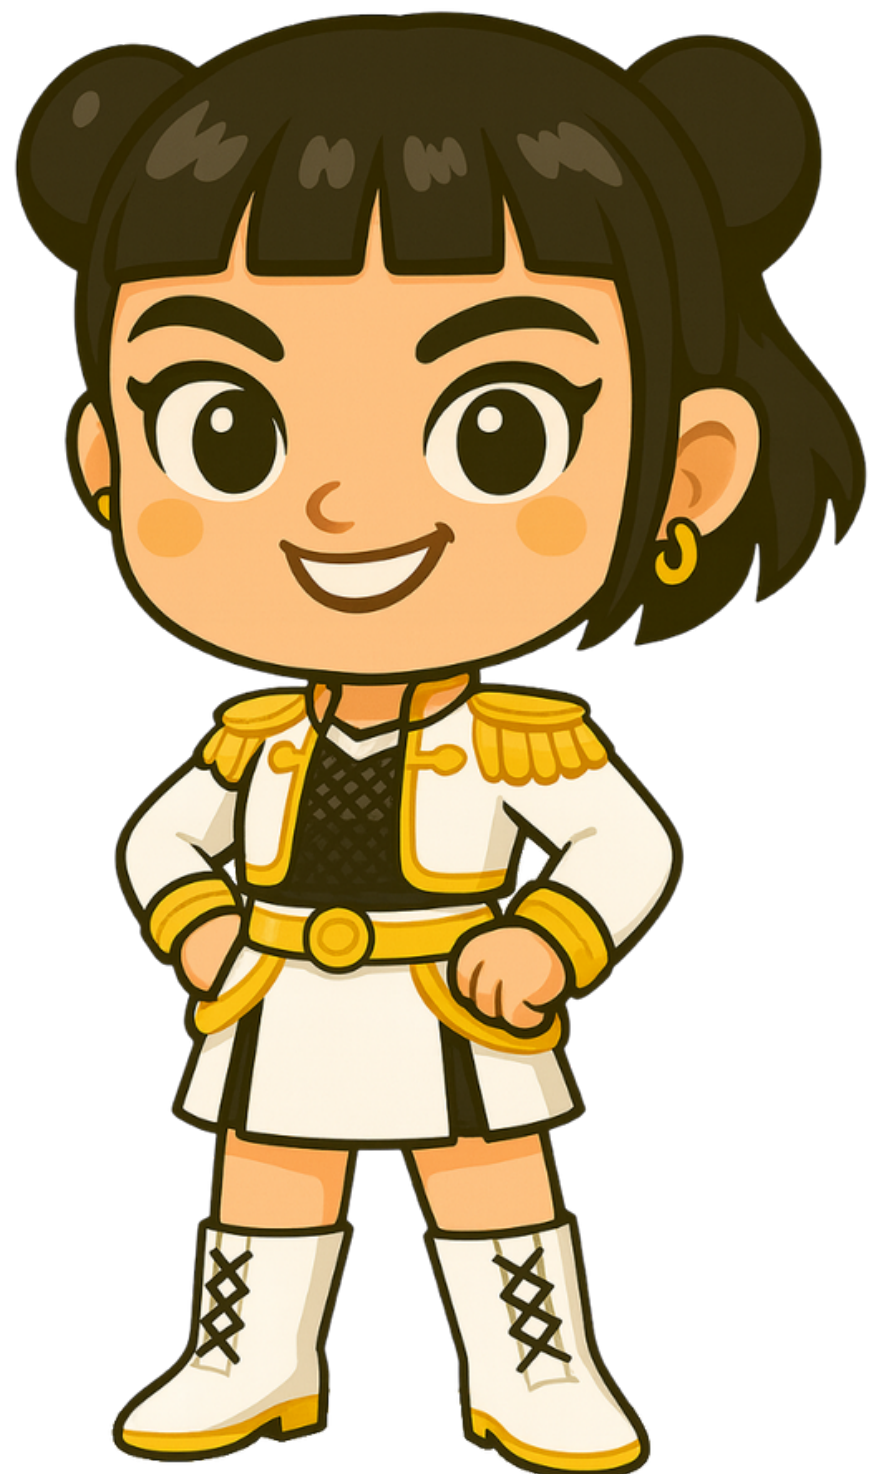

Woah-oh, da-da-da, down (Ooh)

It's a takedown (Ooh)

Woah-oh, da-da-da, down (Watch me do it, yeah)

## **Outro**

Take it down

# How It's Done – HUNTR/X

## Intro

Ugh, you came at a bad time  
But you just crossed the line  
You wanna get wild?  
Okay, I'll show you wild

## Verse 1

Better come right, better luck tryin', gettin' to our level  
'Cause you might die, never the time, tryna start a battle  
Bleeding isn't in my blood, I'm different, starting from my bones  
Beating you is what I do, do, do, yeah

Body on body, I'm naughty, not even sorry  
And when you pull up, I'll pull up  
A little late to the party (La-la-la-la)  
Locked and loaded, I was born for this  
There ain't no point in avoiding it  
Annoyed? A bit  
The light is shining, move out the way  
I'm taking away your way forward

## Pre-Chorus

Knocking you out like a lullaby  
Hear that sound ringing in your mind  
Better sit down for the show  
'Cause I'm gonna show you  
How it's done, done, done

## Chorus

(Hey) Huntrix don't miss  
How it's done, done, done  
(Hey) Huntrix don't quit  
How it's done, done, done

## Post-Chorus

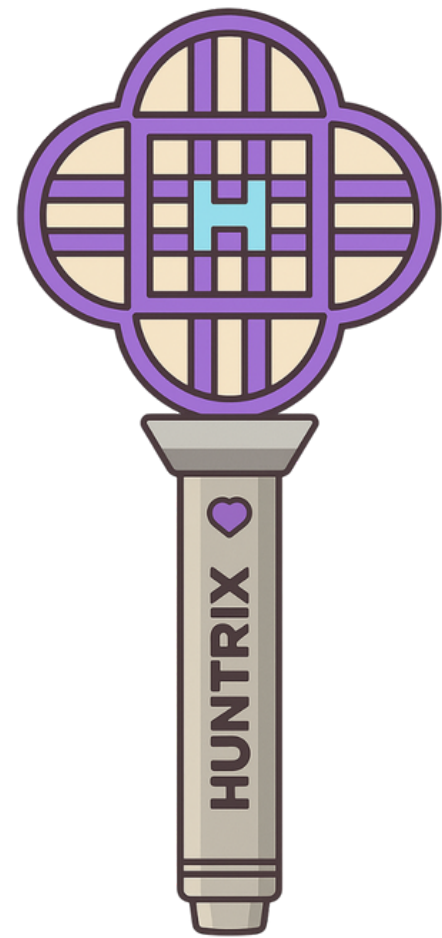

Run, run, we run the town  
Whole world playing our sound  
Turning up, it's going down  
Huntrix show this, how it's done, done, done

## Verse 2

Yeah, something about when you come for the crown  
That's so humbling, huh?  
Why are you acting like that all of a sudden?  
You started it, why? Now you're giving up, what?

Nothing to us, run up, you're done up, we rise up  
From sunup to sundown, so come out to play  
Won either way, we're one in a million  
We kill 'em, like, really? You want it? Okay

Heels, nails, blade, mascara  
Fit check for my napalm era  
Need to beat my face, make it cute and savage  
Mirror, mirror on my phone, who's the baddest? (Us,  
hello?)

## Pre-Chorus

Knocking you out like a lullaby  
Hear that sound ringing in your mind  
Better sit down for the show  
'Cause I'm gonna show you (I'm gonna show you)  
How it's done, done, done

## Verse 3

I don't talk, but I bite, full of venom (Uh)  
Spitting facts, you know that's  
How it's done, done, done

Okay, like, I know I ramble  
But when shooting my words, I go Rambo  
Took blood, sweat, and tears, to look natural (Uh)  
That's how it's done, done, done

## Bridge

Hear our voice unwavering  
'Til our song defeats the night  
Making fear afraid to breathe  
'Til the dark meets the light (How it's done, done, done)

## Chorus (Final)

Run, run, we run the town (Done, done, done)  
Whole world playing our sound (Done, done, done)
